

## **Ride of the Mustang TO BRING List:**

How much money your team accumulates throughout Bike-a-thon will determine how your station will look and how many nifty gadgets you are allowed to bring. Here is a chart reflecting what you could bring for the amount of money raised.

Amount of Money Raised	Items to Bring
Minimum (\$500)	Bike, board games, any "handheld" electronic devices that does not require a plug. Nothing to take any actual space.
\$750	Everything above and you may bring a smaller chair as well. (Lawn chair or beanbag chair.)
\$1000	Everything above, you may bring a large chair as well (recliner, or Lazy boy,) and a mini table.
\$1500	Everything above, and you may bring a two-person couch. (You may get a plug as well, based on how many we have available and how much money you raise in total.)
\$2000	Everything above, and a TV, with a gaming system, or any large electronic piece. This is your ultimate goal.

We encourage you to approach Ms. Ahluwalia with questions regarding items. REMEMBER **40%** of your station should be free space.

**\*\*Administration reserves the right to deny items if they are in disrepair and may pose a safety risk.\*\***
