 - a) Thank you council members and administration- for taking the time to listen to me as a community member and for including clearer, updated information in our weekly newsletters. As a single parent working two jobs, it's challenging for me to

get into the school to help directly. However, I truly appreciate staying informed about what's happening at my kids' school, especially the post-secondary information. It's been incredibly helpful since I don't always have the time to research on my own. As a family, we're learning and preparing for next year's graduation, and these updates have been invaluable. Please continue providing this information for the foreseeable future—it makes a real difference.

XI. Message from Council: Thank you to the staff members who attended our recent school council meetings. Your insights and the opportunity to learn from you and your team(s) have been invaluable. As a council, we are dedicated to building stronger engagement with our staff throughout the year(s)
