 - b) Cafeteria wall - Why was the work not completed over summer break like intended, or when admin arrived back August 18, 2025?
 - c) Is the Learning Commons available to our students to study and complete homework in, especially around lunch? We've been hearing different versions of what's currently happening and would like some clarification.

- d) Could we please get clarification on if a student misses a test that's given in class, are they expected to come in on Thursday mornings between 7:30am to 9:00am? Also, is it correct that this time is supervised by a teacher other than the course teacher?
- e) Approval of meeting dates for 2025-2026. Does every second Wednesday of the month still work? Only conflicts will be October 8, due to the Grad meeting and Post Secondary Fair, can we move the meeting to October 15, 2025, then April 8, 2026 which we can move to April 15, 2026 due to Easter break.
